Before you are allowed to use the Intranet and Internet services provided by the UAS you must first read and accept the “Terms and Conditions of Use”.

Terms and conditions of use of the computer systems

By the using the computer systems the user automatically accepts our terms and conditions of use. You are not permitted to use the computer systems if you disagree with the terms and conditions of use.

The University of Applied Sciences BFI Vienna uses the Cloud Service Office 365 by Microsoft to communicate with students and lecturers. The email, instant messaging and backup services which are provided by the UAS BFI Vienna are also Office 365 services. By signing the training contract, you explicitly consent to using Office 365 and if/when necessary to transferring data to the USA.

Our services are available free of charge to all users for the duration of the studies. Access to our EDP system (incl. Office 365 account) will be deleted one month after termination of the education contract. Our Web Index and other services are exclusively not reserved for commercial purposes.

The commercial use of the systems is forbidden. It is not allowed for results and services of the computer systems to be alienated or published without authorization. It is not permitted for the Web pages to be copied or published on other Websites.

We endeavour to provide error-free functioning of our services. But should there be problems possibly as a result of errors from the use of our services, we cannot be held responsible for the loss of income or any other resultant damages.

We reserve the rights to delete from our servers any damaging data without prior notice. We also reserve the rights to ban those users we think could manipulate our services or cause technical glitches in our systems.

It is forbidden to pass on passwords or access codes to third parties. Should anyone ignore this condition and pass on his/her password or access code to a third party, he/she then automatically assumes responsibility of any resulting damages or other inconveniences.

Conditions of using the E-mail service

I hereby pledge that:

1. E-mail addresses are not to be used to either fetch or spread morally and legally adverse information.
2. I will uphold all valid child protection legislations.
3. I will respect the privacy of others and therefore will not send them by E-mail any detractive or threatening contents.
4. I will not use applications that can lead to the alteration of the physical or logical structure of the used pages.

Any violations of the conditions itemised will immediately lead to the denial of access to the computer systems.
